2. Action as indicated below shall be taken; the action is keyed to the corresponding recommendations of the Inspector General which begin on Page 8 (Part II) of the Survey:

\* \* \* \* \*

Para. 3: The recommended ceiling increases as such are neither approved nor disapproved; the DD/P will take them into consideration in his continuing responsibility for apportioning over-all DD/P resources within established Headquarters ceiling limitations. However, recommended field augmentations shall be given particular attention; additional personnel slots in the field are authorized as considered necessary by the DD/P, including the additional slots for those personnel undergoing training for a specific field assignment. With respect to such field authorizations, the DD/P will exercise utmost care in keeping DD/S advised of authorizations made and will follow normal Agency practice in the determination of position classification and pay scale.

MEMORANDUM FOR: Director of Central Intelligence

SUBJECT : Survey of [REDACTED]  
Office of Operations

25X

X1 1. In conducting the survey of the Office of Operations we are inspecting each division independently in view of the autonomous character of the three divisions of this Office. The survey of the [REDACTED] Division has been completed and is forwarded herewith.

X1 2. Copies of this survey have been provided to the DD/I and the AD/Operations and [REDACTED] through the DD/I. It is suggested that the Office be requested to comment on the survey of this Division even though the inspection of the entire Office of Operations has not yet been completed.
